

Global Village

Organization: Global Village

Location:

Challenges

- Lack of information about Pavilion whereabouts
- Inadequate information about Dining shopping and rides location for tourist planning
- No Search options and accessibility, for dinning and shopping within the village

Solutions

- Shopping Pavilion detailed description
- Pavilion location identification
- Indoor Routing
- Service location marker

Results

- Easy accessibility for customers using routing
- Detailed description on Shopping Pavilions on the go
- Help the customers in planning their day when inside the Village
